This book contains dark themes that could trigger emotional distress in readers. My name is Haley Macknight, and I'm dying inside. From the outside my life is every woman's dream. I'm married to Jude Macknight, a sexy multimillionaire who loves me...too much. Once upon a time, I loved him. But that love is dead. Unwilling to let me go, I've become his obsession. He will stop at nothing to make sure I remain in a marriage I no longer want, inside my gilded cage. Each day I pull away from Jude, I watch him transform into a monster. Before my eyes, he becomes a man I don't recognize, a dangerous man. He makes it clear that I belong to him, that my life is no longer my own. If I leave, he'll kill me. But if I stay, I'll die a slow death. I cry for the man I used to know, the man I used to love...until his love killed mine. This serial unfolds over three volumes.
